JOB OPENING

Join our team as a swimming instructor!

Part time or full time · starting now or by arrangement

Do you love the water and enjoy teaching children and adults? Our growing swimming school is looking for committed swimming instructors who will strengthen our team with heart, patience and creativity.

What we offer

- Attractive pay
- A cheerful, creative team that supports you
- Independent work with plenty of responsibility
- More than 20 years of experience in swimming instruction
- Flexible working hours that can be extended (part time or full time, paid by the hour)
- Internal and external training opportunities
- Course locations in the Zurich region, the Zurich Oberland, Rapperswil-Jona, the Obersee area and Frauenfeld

Your tasks

- Teaching groups of children and adults according to the swimsports.ch concept
- Supporting participants in the water and passing on your expertise
- Running end of course tests and assessing progress
- Leading group and private lessons

What you bring

- Completed swimsports.ch training (at least aqua-technic) or J+S Swimming for Children
- Valid SLRG Brevet Plus Pool and BLS-AED
- Enjoy working with children and adults and having fun in the water
- Reliability, initiative and the ability to work independently

aqua-kids is not required to start: you can complete this training while working with us.
